ABOUT THE DIRECTORY

This directory is a list of providers in the AmeriHealth Caritas Florida network. These providers will serve your health care needs. These include primary care provider (PCPs), specialists, hospitals, behavioral health, vision, and pharmacy services. You may go to any of the providers listed in this directory.

Providers may have been added or removed from our network after this directory was made. To get the most current provider listing, please go to the online searchable provider directory. This directory is on our website at **www.amerihealthcaritasfl.com**. In the Member menu, click on “Find a doctor, medicine, pharmacy or transportation.”

You can also download our no cost mobile app for iPhone and Android smartphones. Search for “AHC Mobile” on the Google™ Play Store or Apple App® Store.

If you get care from a provider outside of our network, you may have to pay for the costs.

Some providers may not perform certain services based on religious or moral beliefs.

How Do I Find an AmeriHealth Caritas Florida Provider in My Area?

This directory is divided into two sections and an index. Providers are listed alphabetically in the first section. In the second section, they are grouped by county and provider type, and then specialty in alphabetical order. The Index lists every page that a provider appears on, in case they have more than one specialty.

Use these sections to find a doctor or provider near you. Family members may choose the same doctor or a different doctor based on your family needs.
