Subject: COVID-19 Vaccine Update

Prestige Health Choice would like to inform you of the following update related to the COVID-19 vaccine:

With the recent emergency use authorization and distribution of the COVID-19 vaccine, our members will likely be looking to you, their health care provider, for direction. Updates and changes are happening quickly, and Prestige Health Choice is closely monitoring guidance from local and federal officials to learn the most up-to-date information.

As we continue to learn more, here is what we do know:

1. It is important for everyone to continue taking steps to protect themselves by social distancing, washing their hands, and wearing a face covering.
2. Distribution of the vaccine has begun but it will take time before the vaccine is more widely available. We are aware that you may be planning to administer the vaccine to your patients, and we will be interested in collecting more information from you to share with our members.
3. For the most current information about who is eligible for the vaccine **during and after the public health emergency**, visit <http://www.floridahealth.gov/>.
4. According to the Centers for Medicare & Medicaid Services, state-specific regulations may apply to billing and reimbursement guidance. Please visit https://ahca.myflorida.com/COVID-19_Medicaid.shtml#alerts.

Please refer to the resources below for the most up-to-date COVID-19 vaccine information and for state guidance.
