**Subject: PASRR Requirement for Members Residing in a Nursing Facility**

**Prestige Health Choice (Prestige) would like to inform you of the following:**

Prestige is taking steps to help ensure compliance with AHCA's requirement that Medicaid Managed Care plans do not reimburse claims for nursing facility services provided prior to the date of completion of a Pre-Admission Screening and Resident Review (PASRR). The PASRR form can be found on <https://ahca.myflorida.com/Medicaid/PASRR/index.shtml>.

As such, beginning May 1, 2020, Prestige will require all hospice providers to submit a PASRR to the Prestige Utilization Management department on admission for members residing in a nursing facility before payment can be made for revenue code 0658 (Hospice Room & Board – Nursing Facility). The Utilization Management department will capture the PASRR on the member's record and will load an authorization for revenue code 0658.

While this requirement will not be enforced until May 1, 2020, Prestige is asking that hospice providers immediately begin to adopt this process. Providers can fax the authorization request with accompanying PASRR to Utilization Management at **1-855-236-9286** or can submit their request through Availity (*preferred method*). Beginning with hospice admission date May 1, 2020, Prestige will deny payment of claims for which a PASRR was not submitted.

If you have any questions regarding this notification, please contact your Account Executive, or contact Provider Services at **1-800-617-5727**. Thank you.
