

**To: Our Valued Providers**

**Date: March 13, 2020**

**Subject: Coronavirus Disease (COVID-19) Update**

Prestige Health Choice has been closely monitoring the Centers for Disease Control and Prevention (CDC) for the latest information about COVID-19, and has been engaged in making the necessary plans based on guidance from the Centers for Disease Control and Prevention (CDC). Prestige Health Choice recommends that providers follow CDC, Centers for Medicare and Medicaid Services, and state-specific guidance with regard to COVID-19 evaluation, testing, diagnosis, treatment, and reporting.

#### **COVID-19 testing.**

Beginning March 16, 2020, Prestige Health Choice will cover all medically necessary services required to facilitate testing and treatment of COVID-19 for its eligible members, for dates of service on or after February 4, 2020, in accordance with federal and state guidance. No prior authorization is required for COVID-19 testing. Coronavirus testing codes follow:

- **U0001-** CDC 2019 Novel Coronavirus (2019-nCoV) Real-Time RT-PCR Diagnostic Panel.
- **U0002-** Coronavirus (COVID-19) for non-CDC laboratory tests for SARS-CoV-2/2019.

#### **If you suspect you or a patient has COVID-19.**

The CDC instructs providers to consult with local or state health departments to determine whether patients meet [criteria for a Persons Under Investigation \(PUI\)](#). Providers should immediately notify infection control personnel at their facility if they suspect COVID-19 in a patient. Please notify your state or local health department if a patient is classified as a PUI for COVID-19.

**Confidentiality Statement:** The documents accompanying this transmission contain confidential health information that is legally protected. This information is intended only for the use of the individuals or entities listed above. If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution, or action taken in reliance on the contents of these documents is strictly prohibited. If you have received this information in error, please notify the sender immediately and arrange for the return or destruction of these documents.

Providers should report recognized exposures, regularly monitor themselves for fever and symptoms of respiratory infection, and not report to work when ill. Providers in low-, medium-, or high-risk exposure categories who develop signs or symptoms compatible with COVID-19 are strongly encouraged to contact their established point of contact (public health authorities or their facility's occupational health program) for medical evaluation prior to returning to work.

**If you need to close your office due to exposure.**

Prestige Health Choice is committed to helping to ensure member access to care. In the event of an office closure, please direct your patients who are our members to contact Prestige Health Choice Member Services at **1-855-355-9800**. We have tools in place to connect members to alternate providers who can support their continued care.

For more resources and guidance, please access the [CDC COVID-19 homepage.](#)
