Date: **November 7, 2019**

Subject: **Release of New Physician Resource: Opioid Use Disorder eLearning module.**

WHAT: The Opioid Use Disorder eLearning module for primary care provider practices is a self-guided learning experience providing up to date information on the opioid epidemic. Curriculum includes:

- An overview of opioid use disorder (OUD).
- Current US statistics on the opioid epidemic.
- The impact of the epidemic on Medicaid recipients.
- The Diagnostic and Statistical Manual of Mental Disorders, 5th edition (DSM-5™) criteria for substance use disorders.
- The Centers for Disease Control and Prevention (CDC) guideline for prescribing opioids for chronic pain.
- Information about evidence-based practices such as:
    - Medication-Assisted Treatment (MAT).
    - Cognitive Behavioral Therapy (CBT).
    - Screening, Brief Intervention, and Referral to Treatment (SBIRT).
    - Motivational Interviewing.
    - Peer Support Services.
- The Healthcare Effectiveness Data and Information Set (HEDIS®) measures for OUD.
- Resources and support available to you and your practice.

ACCESS: The Prestige Health Choice OUD eLearning training module is available at http://www.prestigehealthchoice.com/provider/training-and-education/index.aspx under the **Training opportunities** section.

Please let us know you have completed the training by clicking on the Attestation Form link at the end of the training and completing the brief assessment.

As part of our ongoing goal to support integrated care, the following additional resources are available to you:

- In-person, on-site behavioral health training from a clinical educator. (Contact your Provider Network Management Account Executive if you are interested.)
- Our Behavioral Health Provider Toolkit, accessible on our website here: http://www.prestigehealthchoice.com/provider/resources/behavioral-health-substance-use.aspx.
- Other eLearning modules in this series: Depression, Anxiety Disorders, and ADHD training modules are available now.

If you have any questions, please contact your network representative or Provider Services at **1-800-617-5727**.
